^{1.} Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
2. With the required accessory towing package. See your Owner's Manual for proper towing operation.
3. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

^{4.} Feature uses rear door sensors only. Sensors are designed to detect if a rear door was opened and closed since the last time the vehicle was turned off. Sensors do not detect the presence of rear-seat

passengers or other items. Always check rear seats before exiting the vehicle.

5. Only compatible with certain devices and operating systems. Operation may be dependent upon: 1. GPS satellite signal reception and available cellular data and/or voice connection; or 2. connection to vehicle's built-in Wi-Fi hotspot, if applicable. Associated charges (incl. data plans, roaming charges or other amounts charged by your wireless carrier) may apply.

^{6.} Coverage varies by market.
7. Only available in certain areas. Includes a no-charge trial of three months.
8. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit http://webicles.nrcan.gc.ca.
9. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.
